ANOTHER STEP FORWARD THE INTEREST OF OUR CUSTOMERS

FREE REPAIRS ON ALL BOOTS AND SHOES WE SELL. It has always been the guiding principle in our business to do the very best for our customers possible, by giving them honest goods, lowest prices and liberal fair treatment. Whenever we have been able to buy stocks of clothing or boots and shoes at 50 or 75c on the dollar, we have in turn given them to our customyear we have been enabled to reduce our per cent. of profit. We do not claim to do these things on account of any big-heartedness, but purely as a matter of business. And as a matter of business we will from this date on, extend the guarantee limits on shoes to include every shoe that goes out of our store, be it a 50c slipper or a \$5.00 hand made shoe. These Free Repairs of course do not include halfsoling or patching, but covers any and all defects in the work—all rips in uppers or soles sewed up free.

This is a long stride for the benefit of

our customers, and will cost us several hundred dollars every year but our large and increasing business justifies it, and our business policy demands it. It has always been to the peoples interest to buy shoes from the oldest established shoe house in all Southern Kentucky, handling only old and tried lines. This "Step Forward" will weld another strong link in the chain that connects the people of Christian county to our place of business.
